Well what a year! We started with an excellent concert where we really showed what a youth Band can do, we took this momentum to France and were, yet again true ambassadors for England and youth. This Christmas, it is worth reflecting on how well you have done this year and how good you are as a team. Being a team isn't about agreeing all the time its about working together through good times and bad and to have fun doing it. I hope when you reflect that you start to look forward to next season, its already looking good, with the concert, France and a tattoo with the Royal Corps of Signals, al-

ready on the agenda, not to mention Kingsbridge twice! If you want to go to France, but are troubled by the cost, get your Mum or Dad to speak to me, we can always work something out. I would also like to thank all the members of the Executive and Fund Raising committees, without which we can't put ourselves on the road, again, we are bringing these two committees together to work as a team and add strength to both. I would also like to thank the senior team and the junior team for their hard work during this year; I expect we will benefit even more next year!! I have been particularly

impressed with the junior team and the Halloween and Xmas parties are just the start, well done.

Finally, I want to say, have a great Christmas and New Year, above all else BE SAFE, and I look forward to the adventures that next year will bring.

**Happy Christmas!**

*Simon*

### *Birthday Jump for DYMB*

I would like to thank everyone that donated money for the tandem free full Jump I did on August the 25<sup>th</sup> this year. You managed to raise over £350 to help buy instruments for the band. It was a very hot sunny day with a clear blue sky. I got to the air field at 8.00 am registered and had a short training course. The plane took off around lunch time and flew to about 13,000 ft. We then left the airplane by rolling out into

a somersault and free fell for around 45 seconds before the shoot opened out. It was one of the most exhilarating things that you could possibly do. Absolutely fantastic! And a nice gentle landing made it just perfect. A must for all.

## Christmas Carnival Season 2007!

It's that time of year again! It's time for us to roll out the Christmas Tunes and join Santa in his Christmas parades. We've had the Poole Father Christmas parade already, and what a parade it was! There was plenty of water to keep us from going thirsty and no danger of getting too hot. Everybody who attended the Poole parade did extremely well. We were able to march the Christmas spirit right up to the Dolphin

Centre! We also had Broadstone Christmas parade recently. We marched around Broadstone, complete with Santa and the other various attractions. Of course, there's the Wimborne Save the Children Parade, which is usually a good one. We are usually joined by Christchurch Scout and Guide band for this one, which helps to boost our numbers.

At the end of the banding year, we have our Christmas party. This year we're planning something a little different. The junior members team are planning a party with plenty of music, games and fun. Hopefully this will be an excellent send off to a brilliant year for banding! *Scott*

## Leader Profile:

**Name:** Rozi

**Age:** 18

**Instrument:** Bell Lyre

**Interests and Hobbies:** Doctors, not turning up to as many band events as possible.

**Other things to know:** Rozi wants to be a doctor. She recently celebrated her 18<sup>th</sup> Birthday. She had a great time at her party, why not ask her about it, I'm sure she will remember it. Especially the great Thunderbirds impression she did! *Craig*

We couldn't find a suitable picture from your party Rozi, I wonder why!

## Halloween Party 2007

As a new event the Junior Members committee put on a fantastic Halloween Party on 31st October.

There was music, games, a quiz, apple bobbing and jelly with squidgy things in it!! Everyone really enjoyed themselves and put a real effort into their costumes.

**DON'T MISS OUT ON THE NEXT PARTY!**
